IAE
INSTITUTE FOR ACADEMIC EXCELLENCE

National Level Workshop on

NBA ACCREDITATION

Empowering Institutions for Quality Assurance
and Accreditation Excellence

19th & 20th November 2026 Mode: Online

1. Engineering Programs(UG)
2. Management Programs
3. Pharmacy Programs
4. MCA
5. Diploma Programs
6. Architecture Programs

- Training by NBA - NAAC Assessors
- Handson Experience on NBA Navigator Software
- e - Participation Certificate

CONDUCTED BY:

Institute for Academic Excellence

ABOUT THE WORKSHOP

Accreditation from the National Boardof Accreditation (NBA) is now central to institutional credibility, student placements, and international recognition. This two-day national-level online workshop gives Principals, Vice Chancellors, IQAC Directors, and HODs an in-depth, practical understanding of the NBA process — from Self-Assessment Report (SAR) preparation to Outcome-Based Education (OBE) implementation — through expert-led sessions, real case studies, and interactive discussion.

IAE AT A GL ANCE

01 **50+** Workshops & FDPs Conducted

02 **2000** Institutions Consulted

03 **25+** States & UTs Reached

04 **6+** Years of Accreditation and Consulting

05 **15,000+** Faculty & Staff Trained

06 **90%+** Avg. Success Rate of Consulted Institutions

07 **5** Software's for HEI Accreditations & Ranking Solutions

08 **100+** Empanelled Subject Experts

IAE'S EXPERTISE IN WORKSHOPS & ACCREDITATION CONSULTING

IAE has worked closely with engineering, management, pharmacy, and polytechnic institutions across the country, guiding them through every stage of the NBA journey — from first-time SAR preparation to successful re-accreditation. Our resource pool includes former NBA evaluators, senior academic administrators, and quality-assurance practitioners who bring first-hand knowledge of what expert visit teams look for.

Beyond one-time workshops, IAE offers end-to-end consulting support: gap analysis against the current NBA manual, OBE framework design (PEOs, POs, PSOs, COs), attainment computation templates, criteria-wise documentation review, and mock peer-team visits with structured feedback. This combination of classroom-style training and hands-on consulting is what distinguishes IAE's engagements from a typical one-off seminar.

Institutions that have partnered with IAE consistently report clearer internal processes, better-organised evidence for peer team visits, and stronger outcomes in their accreditation cycles.

WHY ATTEND & WHO SHOULD ATTEND

Why Attend?

- Gain clarity on the revised NBA accreditation manual and criteria
- Understand Outcome-Based Education (OBE) and its alignment with accreditation
- Learn to prepare an effective Self-Assessment Report (SAR)
- Master assessment and evaluation techniques for attainment calculation
- Get insights into mock audits and peer team visit preparation
- Interact directly with experienced NBA evaluators and academic experts
- Earn a Certificate of Participation from the organizing institution
- Understand PEOs, POs, and Course Outcomes (COs)

Who Should Attend

- Principals, Directors, and Heads of Institutions
- Vice Chancellors and Senior Academic Leadership
- IQAC Coordinators and NBA Coordinators
- Deans (Academics / Accreditation)
- Faculty involved in accreditation and quality assurance
- Research scholars and academic administrators
- Heads of Departments — Engineering, Polytechnic, Management, Pharmacy

CORE CONTENT & DETAILED AGENDA

Theworkshopunfoldsacrosseightstructuredsessions,movingfromthefundamentals of NBA to the practical mechanics of building an accreditation-ready institution:

Session 1 Overview of NBA — Vision, Mission, and Accreditation Framework

Sets the context for the two days: why NBA accreditation matters for institutional credibility, funding, placements, and global recognition. Covers the structure of the accreditation framework, the Tier system, and how evaluation outcomes translate into institutional benefits.

Session 2 Understanding the NBA Accreditation Manual

A criterion-by-criterion walkthrough of the current manual, highlighting recent revisions, weightages, and the documentation expected under each criterion for both Tier I and Tier II institutions.

Session 3 Outcome-Based Education (OBE) — Concepts and Implementation

Explains OBE as the foundation of NBA accreditation and walks participants through the formulation of Program Educational Objectives (PEOs), Program Outcomes (POs), Program Specific Outcomes (PSOs), and Course Outcomes (COs), with practical drafting exercises.

Session 4 CO-PO-PEO Mapping and Articulation Matrix

Demonstrates how to build a defensible articulation matrix linking COs to POs to PEOs, avoiding common mapping errors that assessors frequently flag during peer visits.

Session 5 Attainment Calculation — Direct and Indirect Assessment

A hands-on session on computing CO/PO attainment using direct assessment (internal marks, university results, rubrics) and indirect assessment (surveys, feedback), including target-setting and gap closure.

Session 6 Preparation of Self-Assessment Report (SAR) — Documentation & Evidence Compilation

Practical guidance on structuring the SAR criteria-wise, compiling supporting evidence, and avoiding the documentation gaps that most commonly lead to lower scores.

Session 7 Continuous Improvement Process & Mock Peer Team Visit — Dos and Don'ts

Covers the continuous improvement (CI) loop expected by NBA, followed by a simulated peer-team visit walkthrough — what evaluators probe for, how to present evidence, and how faculty and students should respond during interactions.

Session 8 Common Mistakes & Pitfalls, followed by Open Forum / Q&A with Experts

A candid review of recurring mistakes institutions make across criteria, and an open floor for participants to raise institution-specific questions directly with the resource persons.

ELIGIBLE PROGRAMS

ENGINEERING
- UG (Tier-I & II)
- PG
- Diploma

MANAGEMENT
- PG
- Postgraduate Diploma

PHARMACY
- UG
- PG
- Diploma

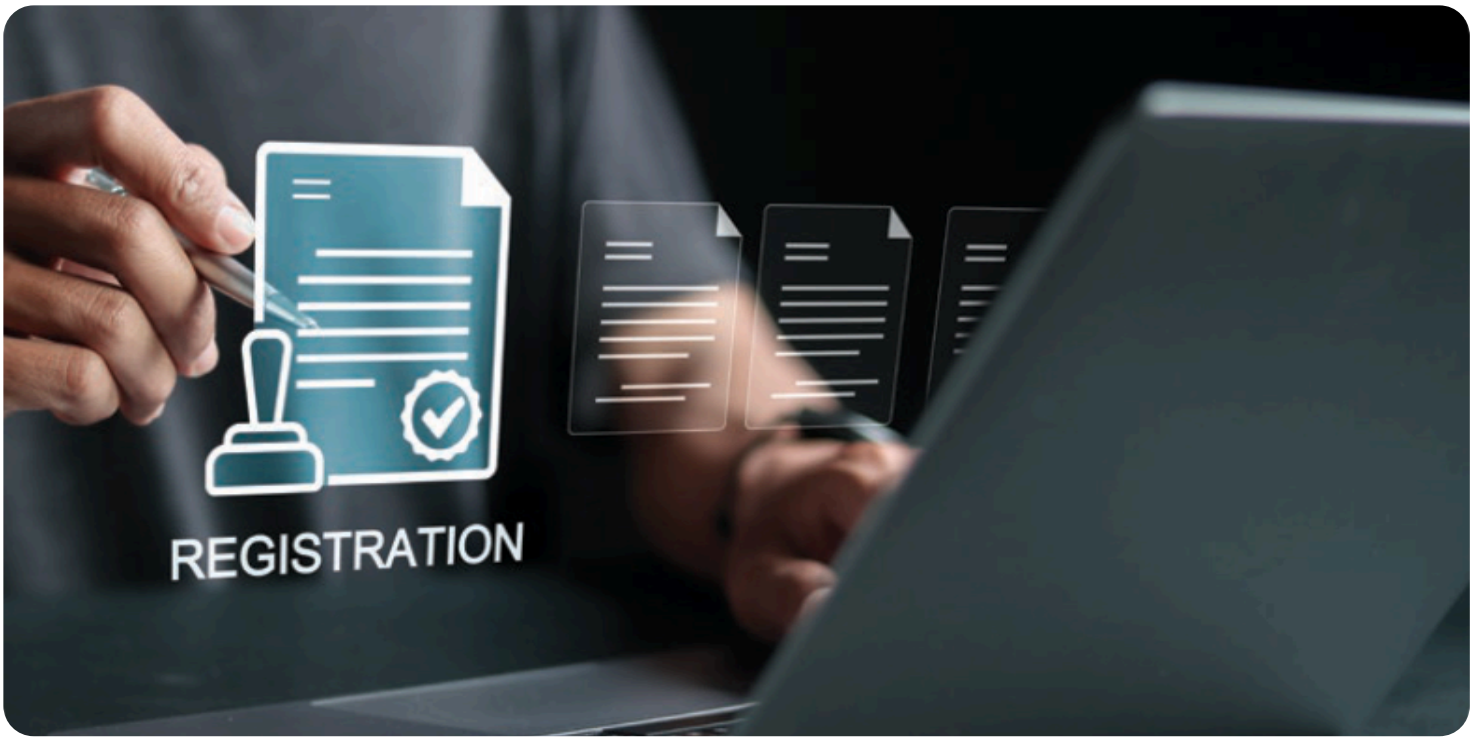

OTHER
- MCA
- Architecture
- Hospitality & Tourism Management

REGISTRATION DETAILS

Registration Mode	www.iae.education
Registration Fee	₹10,000 Per Institution (1-Coordinator+4 Participants)
Last Date for Registration	16-11-2026
Platform	Zoom Online
Certificate	E-Certificate to all registered particpants

How to Register Online

- Visit www.iae.education
- Click on the Register Now and Select the NBA Accreditation Workshop
- Fill all the required details and complete mobile and email verification
- Pay the participation fee through : Debir Card/ Credit Card/Net banking/UPI
- An Acknowledgement email will be sent to the registered E-mail ID
- Click “Add Participants” to enter the remaining participants details
